Requirement(s):

- Lead commanders shall notify senior contractor representatives on their respective Corporate or Segment Management Councils of their designations as lead commanders.
- When lead commanders rotate from their current duty stations, CAOs shall provide the names of their replacements to the DCMC-OC point of contact identified below; HQ DCMC Commander will then designate new lead commanders.
- Required actions need to be completed to facilitate the processing of SPI concept papers and other acquisition reform initiatives at Corporate and Segment Levels.
